Annual Meeting of Young Scientists in High Energy Physics (yHEP) — ●MICHAEL LUPBERGER — University of Bonn — yHEP Management Board

In our report, we will present our last year's activities. This includes the work with the committees and the organisation of events, e.g. for the Update of the European Strategy for Particle Physics. We give updates of the Know-your-Footprint campaign and our statement on

the reform of the law for fixed-term contracts (WissZeitVG) and other topics. There is also some room for a discussion. However, the currently most relevant topics in our work on issues with residence permits and the WissZeitVG will be discussed in a separate session organised with the jDPG on Wednesday evening.

All students, doctoral candidates, post-docs and scientists on temporary contracts are cordially invited.

Please register to our mailing list which can be found from yhep.desy.de to receive details on the meeting.
